### Job Fairs are for Graduate Students too!

We will have a lot of employers on campus during the job fairs and throughout the year. This is your opportunity to meet with employers who are looking for you! Be sure to prepare by getting your resume in order, practicing interview skills, and creating your 30 second commercial.

Meet the CDC's new Graduate Assistant, **Crystal Hunnicutt, M.Ed.** Crystal is a first year doctoral student in Curriculum and Instruction. She will be working with graduate students as a career coach as

well as planning career events specifically for graduate students. Feel free to contact her at 575-8652 or [chunnicu@uark.edu](mailto:chunnicu@uark.edu).

### What's waiting for you at [career.uark.edu](http://career.uark.edu)?

Sign up on-line today for the Professional Development Institute. Start preparing for your future now!

#### eRecruiting

1. Look for a job.
2. Network with Employers.
3. Sign up for on-campus interviews.

Optimal Resume is a great tool to get your resume started on your own or you can call the Career Development Center at 479-575-2805 for an appointment to get hands on help from our resume experts.

### Save the Date! February 20, 2009

From Abstract to Contract is a research symposium and networking event just for Graduate Students! There will be a poster competition with awards and cash prizes, training sessions for career planning and special opportunities to network with employers who are looking to hire graduate students in your field. More information will be available soon on [career.uark.edu](http://career.uark.edu).
