Date: Thursday, September 15 & 22, 2011  
Time: 1:00 pm - 5:00 pm  
Location: Bell Engineering Center

Thank you for allowing us to host your organization for the fall 2011 Engineering Expo. Please take the time to review this document, which outlines specific details about the Engineering Expo.

Should you need any special accommodations to attend this event, please contact Lori Magar, Employer Relations Coordinator at recruit@uark.edu or 479.575.2805.

If you have registered for an information session the day before Expo or interviews the day after Expo, please contact Lori Magar at recruit@uark.edu or 479.575.2805. Please contact Lori as far in advance as possible so that we may ensure that we can reserve adequate space. Lori is also available for general questions regarding the event.

HARMON AVE PARKING DECK DRIVING DIRECTIONS

From I-540 north of Fayetteville

Driving Directions from North of Fayetteville, on I-540 (Coming from XNA, Bentonville, Rogers, Springdale)

1. Travel South on I-540, take Exit 62. (Farmington, Martin Luther King, Jr. Boulevard and University of Arkansas signage).

2. Take a left at the stoplight (under the I-540 overpass) onto 6th Street/Martin Luther King, Jr. Boulevard.

3. Travel on Martin Luther King, Jr. Boulevard until you arrive at the stop light at Razorback Road (you will see a brick University of Arkansas landmark). Turn left on Razorback Road.

4. Turn at the first right, which will be Leroy Pond Road. (You will see Bud Walton Arena on your left).

5. Upon reaching the first stop sign, take a left on Clinton Drive.

6. You will pass the Clinton House Museum on your left.

7. Upon reaching Harmon Street (upon a hill), turn left. The Harmon parking deck will be on your right.

8. Enter Harmon Parking Deck, take parking ticket, park only on levels 3, 4 or 5 and take the elevator to level 6. When exiting, please exit on levels 1, 2, or 4 only.

The Career Development staff and shuttle will meet you at the front of the parking deck (where you entered) on Level 6 and will transport you and your packages to the BELL Engineering Center.

Morning: shuttle will begin picking up from Harmon Parking Deck and will run from 10:30am - 1:30pm.
Evening: Shuttle will begin picking up at BELL and will run from 4pm-6pm

BRING YOUR PARKING TICKET TO EVENT CHECK-IN FOR VALIDATION

From 71B/College Ave. north of Fayetteville

1. Travel south on 71B/College.

2. Continue going straight on 71B/College Avenue south until you reach the Dickson Street stoplight. Just before you reach Dickson Street, you will see Marvin's IGA on the left hand side.

3. Make a Right on Dickson Street. The First Baptist Church will be on the right hand side.

4. Continue going straight (west) on Dickson Street. You will go straight through the West Avenue stoplight and past Arkansas Avenue stoplight. Continue going up the hill and you will see the Bell Engineering Center on the right hand side.

5. Turn Left onto Harmon Ave (formally known as Buchanan Ave.).

6. Continue to the Harmon Parking Deck entrance.

7. Enter Harmon Parking Deck, take parking ticket, park only on levels 3, 4 or 5 and take the elevator to level 6. When exiting, please exit on levels 1, 2, or 4 only.

The Career Development staff and shuttle will meet you at the front of the parking deck (where you entered) on Level 6 and will transport you and your packages to the BELL Engineering Center.

Morning: shuttle will begin picking up from Harmon Parking Deck and will run from 10:30am - 1:30pm.

Evening: Shuttle will begin picking up at BELL and will run from 4pm-6pm

BRING YOUR PARKING TICKET TO EVENT CHECK-IN FOR VALIDATION

From I-540 south of Fayetteville

Driving Directions from South of Fayetteville on I-540 (Coming from Fort Smith, Little
1. Travel north on I-540, take Exit 62. (Farmington, Martin Luther King, Jr. Boulevard and University of Arkansas signage).

2. Take a right at the stoplight onto 6th Street/Martin Luther King, Jr. Boulevard.

3. Travel on Martin Luther King, Jr. Boulevard until you arrive at the stop light at Razorback Road (you will see a brick University of Arkansas landmark. Turn left on Razorback Road.

4. Turn at the first right, which will be Leroy Pond Road. (You will see Bud Walton Arena on your left).

5. Upon reaching the first stop sign, take a left on Clinton Drive.

6. Drive until you come to a four way stop sign. Then, continue straight on Clinton Drive.

7. You will pass the Clinton House Museum on your left. Now, drive slowly because Harmon Street is upon a hill, turn left on Harmon Street. The Harmon parking deck will be on your right.

8. Enter Harmon Parking Deck, take parking ticket, park only on levels 3, 4 or 5 and take the elevator to level 6. When exiting, please exit on levels 1, 2, or 4 only.

BRING YOUR PARKING TICKET TO EVENT CHECK-IN FOR VALIDATION

EVENT CHECK IN

Attendees may begin set up at 10:30am at the Dickson Street entrance of the Bell Engineering Center. We will validate your parking ticket at this time.
RECRUITING BOOTHs

One 6-foot table is provided with your registration. Displays will need to fit on top of the table or we can remove the table. There is ideal space for 2-3 employer representatives at each booth. If you need additional space, please ensure that you have indicated such on your registration.

REASONABLE ACCOMODATIONS

If you need an accommodation to fully participate in this event, please contact the University Career Development Center at 479-575-2805 or email recruit@uark.edu

LUNCH / EMPLOYER HOSPITALITY ROOM

Lunch will be provided for you from 11:30am - 1pm at BELL Engineering in the Upchurch Conference Room 3162. This will be a great opportunity for you to meet faculty and staff in the College of Engineering. However, if you would like to purchase your own lunch, the campus has several available options. For more details on food options please visit: http://www.dineoncampus.com/razorbacks/. Select the tab, Places to Eat.

From 11am - 5:00pm, you are invited to stop by the hospitality room located at BELL Engineering in the Upchurch Conference Room 3162 for refreshments and an opportunity to visit with your colleagues and to meet faculty and staff in the College of Engineering. If you have special dietary requirements, please contact Lori Magar at 479-575-2805.

EXPO FAIR EVALUATION

Again, we thank you for allowing us to host you at this event. Please do not hesitate to contact us with questions and/or feedback at any time. At the conclusion of the event, you will receive an electronic survey. Please take time to complete the survey, as it is our information source to make each event more successful for you.
