WHAT'S A CAREER CHAMPION?

A Career Champion serves as the liaison between the University Career Development Center (CDC) and their academic department. They relay information learned from the University CDC staff representative about career opportunities, campus events, and employers to students and faculty within their own department, provide feedback to their CDC staff representative, and assist with collecting graduation placement data from students in their department.

WHAT'S IN IT FOR ME?

Career Champions receive:

- ✓ Recognition by Faculty/Staff Senate
 - ✓ Exclusive Real-Time Access to Placement Data
 - ✓ Recognition at the Career Champion Breakfast
 - ✓ Certificate from Career Development Center Executive Director as a "Career Champion"
 - ✓ Spotlight in a Newswire Article featuring the Collaboration between the University Career Development Center and Academic and Student Affairs Departments
-
